

REMARKS

In the response filed on December 22, 2005, Applicants intended to cancel the same number of claims as new claims that were added. Applicants inadvertently forgot to cancel two claims, claims 10 and 25, which Applicants are canceling in this paper. Applicants are also correcting the statement requesting entry of new claims to state that four new claims. The actual claims 33-36 themselves were included in the response of December 22, 2005, the request for entry just misstated what claims they were.
